As the winter closes in, we hope that instead of thinking of warm and sunny places, you will think of deep and serious philosophical thoughts that you would like to share with us at the April 10 meeting of the Wisconsin Philosophical Association at UW Stevens Point. Student papers will be considered in all areas of philosophy and should be 6-15 pages double-spaced, and the author’s name and address should be omitted from the body of the paper as the selection will be by blind review. Please indicate whether the submission is an undergraduate submission, or a faculty/graduate student submission.

Papers can be submitted either electronically (preferred) or by hard copy. To submit a paper electronically (preferred), it should be e-mailed to wpa@uwosh.edu. To submit hard copies, send four copies to
