The Annual Meeting of the Wisconsin Philosophical Association will be held on **Saturday, April 18, 2009 at University of Wisconsin Oshkosh**

We hope that you will join us for what should be a very interesting meeting and we would like to invite you to submit a paper for presentation at this program. Papers will be considered in all areas of philosophy. The papers should be 10-15 pages and can be submitted electronically (preferred) or by four double-spaced hard copies. The selection will be by blind review of a committee of philosophers from Wisconsin, and so we request that the cover page include the title and the author's name and address, and that the author's name be omitted from the rest of the paper.

To encourage more discussion and also to provide time for more papers, we will once again be using our unique format. Copies of the papers will be available prior to the meeting on the WPA web-site, and instead of reading the papers, presenters will be asked to provide a 10-15 minute informal summary of their paper. This allows for more discussion for more lively and active sessions.

**Papers should be submitted by February 1, 2009**
