Secretary of the Department of Workforce Development Roberta Gassman (confirmed);
Representative Terese Berceau (confirmed)
Cecile Richards (confirmed)

The time is right for a public demonstration of historic size in support of reproductive freedom and justice for all women. Threats to these rights have never been so systematic and coordinated, and the lives and health of women have never faced such peril. On Sunday, April 25th, in our Nation’s Capitol thousands of Wisconsin citizens will march to uphold – Choice, Justice, Access, Health, Abortion and Family Planning. Please join us for the March for Women’s Lives.

Can’t make it to the March? Join this local event! Bring your sign, wear a button or sticker, show Wisconsin that we support reproductive rights!
